

Frequently Asked Questions about Community Membership of NACAR North American Conference of Associates and Religious

What is NACAR?

The North American Conference of Associates and Religious is a membership organization that acts as a catalyst to serve, empower and promote the Associate-Religious relationship. **NACAR remains the only professional organization to support and serve associates and vowed members as associates proclaim their call to live the charism of their religious communities.**

What is the purpose of NACAR?

In the early 1970's, God's Spirit began moving lay men and women to find ways to embrace and live the charisms of many religious communities in Canada and the United States of America. Groups of like-minded people, commonly known as associates, began forming, and the increase in their numbers was quite rapid. A new movement was born, one based on the mystery of call and response to the particular charism of each community's founder/foundress.

By the 1980's, leaders of many associate groups reached out to associate groups of other religious communities, both to share how the Spirit was moving with them, and to begin addressing mutual concerns. Eventually, the need to have an even wider forum developed and thus, the first North American Conference of Associates and Religious (NACAR) was created.
