### Community Membership Application/Renewal

Community Membership is the backbone of NACAR

This level of membership is meant to serve the needs of Associate and Community Leadership. Membership at this level offers comprehensive services and our membership fees are set on a sliding scale depending on the number of vowed members and associates in the community.

#### Listed Members:

- A primary contact for the community **must** be listed. The primary contact is the first person NACAR will contact for the community regarding membership benefits, renewal or other issues.
- All listed members must have email addresses in order to receive communications.
- All listed members may register on our website to access member sections and be listed in the on-line individual member directory only available to registered users.
